

Hello everyone,

I hope time does feel too long.

I hope you are all doing well as well as your family and friends.

The audio I sent « The little pianist » should be easy after « the disappearance of the bees » which was a bit more tricky.

Before giving you the full transcript, try first to do the question exercise and then do the gap-fill.

Take good care and I hope to see you soon.

Don't hesitate to call if necessary.

Exercise about the little pianist :

Once you have listened to the audio again, please try to answer the following questions :

1- What is Azul's dream ?

2 - Who is Vicky and what is her secret ?

3 – What does it mean to move like a squirrel in this context ?

4 – What are the stickers used for ?

5 – Why is Azul so nervous ?

6 – What happened to Azul before the performance ?

7 – What does the metaphor of the butterfly mean ?

Hope to hear from you soon:)
